TEA SELECTION

Cheshire based 'Tea from the Manor' brings the finest full leaf teas from the best tea gardens around the world to delight the palates of its customers.

A superior experience

The difference in taste of whole leaf tea is, quite simply, memorable. Whole leaves retain their natural oil and give a richness of flavour that is merely hinted at in lower grade teas.

Each tea has its own distinct character, "brisk", "full", are just some of the taste notes found in our teas – never "dull", or "tainted"!

Our Housekeeper's Store stocks a wide range of Tea From the Manor - the perfect gift!
