## TEA SELECTION

Cheshire based 'Tea from the Manor' brings the finest full leaf teas from the best tea gardens around the world to delight the palates of its customers.

### A superior experience

*The difference in taste of whole leaf tea is, quite simply, memorable. Whole leaves retain their natural oil and give a richness of flavour that is merely hinted at in lower grade teas.*

*Each tea has its own distinct character, "brisk", "full", are just some of the taste notes found in our teas – never "dull", or "tainted"!*

*Our Housekeeper's Store stocks a wide range of Tea From the Manor - the perfect gift!*

### Gardener's Cottage English Breakfast Tea

*A unique blend of Ceylon and Assam tea, exclusively made for the Gardener's Cottage. Full bodied with a coppery coloured brightness*

### Earl Grey

*Large leaf black china tea scented with bergamot oil*

### Chai Spice

*A mixture of Assam tea, cardamom, ginger, cinnamon, cloves, ginseng, ginkgo and rooibos*

### Darjeeling Leaf

*From west Bengal, India. A fruity floral aroma, thin bodied and lightly coloured, it is widely acknowledged to be the finest of teas.*

### Camomile Flower

*Essential oils in flowers produce a soothing, pleasant aroma and a fruity character.*

### Red berries

*A fruit blend consisting of hibiscus, rosehip, apple pieces and orange peel*

### Rooibos (Caffeine free)

*A naturally earthy, caffeine free full bodied tea that comes from the bright green needle shrubs in South Africa. When processed they turn red*

### Gunpowder

### Green Peppermint

*Famous for its refreshing virtues and with a delicate, natural mint scent.*

*£3.50 per person  
(A small tea pot serves 2 cups of tea)*
