

TATTON PARK, KNUTSFORD, CHESHIRE, WA16 6QN FISHING REGULATIONS

Fishing is allowed during the fishing season on days when the Park is open, from the reach on the West bank of Tatton Mere only. See map overleaf. Pike fishing may extend up to the Willow tree.

FISHING TIMES

High Season: 16th June 2021 – 31st October 2021

7.00am – off water by 6.30pm (last admission 4.00pm, gates locked 7.00pm). Daily except during some special events.

Low Season: 1st November 2021 to 14th March 2022

7.00am – 4.30pm (last admission 2.30pm, gates locked 5.00pm). Closed Mondays.

Entry before 10.00am is via Rostherne Gate which opens at 7.00am.

FISHING SEASON

Tatton enforces a Closed Fishing Season: 15th March - 15th June 2021

FEES

Adults: Whole Day: - £10.00

Children under 12: Whole Day: - £6.00

Day Fishing Tickets – purchase on the bank before 10.00am and thereafter should be purchased on entry at the Knutsford or Rostherne gates and will include current Park admission charges.

MATCH BOOKINGS

Clubs (up to 40 pegs) may book. Fees can be paid in advance. Please contact Tatton Park General Office on 01625 374400.

DIRECTIONS

See map overleaf.

Entry before 10.00am is discretionary via Rostherne Gate exit.lane. All vehicles must park in the car park at the Knutsford entrance. Walk 100 metres down the drive; turn right along the path towards the west bank of the Mere. The fishing reach is a further 300 metres over uneven ground and extends from the wood (Approach Clump) 400 metres northwards. **You may stop your car to unload/load on the road, but under no circumstances drive or park on the grass.** *Should disabled anglers need a helper to assist in drop-off and removal of vehicle, then one helper may fish free of charge on the day. Any other arrangements must be made by prior agreement with the Park Manager and include display of a specific permit authorising off-road parking. Should this be required, apply to Park Manager on 01625 374413.*

SPECIES

Roach, Bream, Tench, Perch, Pike, Rudd, Carp and Roach/Bream hybrids, eel

LICENCE

Environment Agency Rod Licence is required – available at Post Offices. You may be asked to produce this by Tatton staff. Two rods per licence.

KEEP NETS

Keep nets are allowed provided they are staked out correctly in a minimum 2 feet of water up to the top ring of the net. All fish to be returned

BAIT

Live bait and the use of coarse fish dead baits are not allowed but ground bait is permitted.

REMINDERS

1. Discarded nylon line and hooks are a hazard to visitors, animals and wildlife. Please ensure they are removed from the Park.
2. Please take your litter home.
3. Fishing from boats is not allowed.
4. Barbless hooks only allowed. (incl. lures)
5. Please be aware of other Park Users, including those using the Mere
