

Wonderful walks...

Ranger's Nature Trail

Follow a 1 hour walk to the Old Hall and back again. It offers easy walking on level ground and is suitable for families with older children. There's an additional 30 minute loop round Melchett Mere. Nature Trail Booklet available from the Gift Shop for 50p.

Dairy Wood Way

This short, circular woodland walk starts opposite the main car park, and is perfect for mini explorers.

Beech Avenue Conservation Trail

This 1.5 mile trail runs alongside ancient beech trees planted in 1739. Learn about historical, wildlife and landscape features as you walk.

Field to Fork Trail

This 3 mile circular walk starts at the northern end of Tatton Mere. Info panels reveal how food has been sourced from the Parkland over the years.

Footpaths to Fitness

2.5 mile walk along Tatton Mere, from Dog Wood entrance and back again. Or a 3 mile circular route from the northern end of Tatton Mere around the Parkland.

Help care for our deer

During the colder, winter months you may see deer lying low in their sanctuaries or looking for food.

Where possible please keep a safe distance of around 50 metres and don't feed them. Thank you.

Thank you!

Thank you for paying Parkland entry. This money helps Cheshire East Council look after this magnificent place today, and sustain it for tomorrow.
