BLOSSOM THE CLYDESDALE

Blossom is our beautiful blue roan Clydesdale mare and is a real ambassador of this rare breed. A gentle giant through and through this lady loves nothing more than being a mum and meeting all our visitors. She currently lives at Home Farm with her good friend Finn, and two of her offspring Tabitha and Grey Friar.

PRANCER THE REINDEER

Prancer was born in Scandinavia in May 2010 and arrived here at Home Farm at just 11 months old. She enjoys nothing more than her daily run out into pasture and woodland with her best friend and sleigh partner Dancer. Although Prancer was very shy when she first arrived in England, she has proved to be a real show off and just loves all the attention that she gets off the visitors.

TAMZIN THE TAMWORTH

Tamzin is a Tamworth sow and was born in July 2011. She has a very warm personality and loves experiencing new things, meeting new pigs and new people! She has grown up beside Myrtle the Middle White pig and they are the best of friends. A natural show-off at heart, she has competed against other pigs and won first prize in the Cheshire Show.

FROSTY THE DONKEY

Probably the noisiest animal that has ever lived on Home Farm, Frosty certainly likes to be heard before she's seen. A comical character who is full of life and endless energy – she certainly keeps her older donkey companion Seren young at heart. A firm favourite with all the children, Frosty loves her daily pampering grooming session.
