

Step inside the Gardener's Cottage for light lunches, freshly baked sweet treats and delicious afternoon tea\*

Take home a piece of Tatton with our range of souvenirs

1,000 acres of deer park to explore

## Planning on visiting our shops or restaurants?

Head to the Gift Shop for bespoke Tatton Park gifts and the Housekeeper's Store for local artisan produce including jams, chutneys, traditional teas and English wines, and our estate-reared meats.

You'll find fresh seasonal fruit and veg picked straight from our Walled Kitchen Garden in the Garden Shop\*

\*(available seasonally, subject to availability)

Check our opening times via our website: [tattonpark.org.uk](http://tattonpark.org.uk)

Enjoy a bottle of Tatton Park Gin made with botanicals from the gardens, available from the Housekeeper's Store...

## Explore our parkland safely...

- **Keep dogs under close control**  
**1 May – 31 July** - dogs must be kept on leads throughout the parkland during deer birthing season.  
**From 1 August** - dogs are allowed off the lead but must be kept under close control.
- Be aware of ticks.
- Always **stay 50 metres away from the deer**, especially during the rutting period (September to November), when the deer are unpredictable and can act aggressively.
- **Stay out of the water** - Blue green algae has been detected in the meres. Please avoid any areas of the water where you spot algae and remember animals can be also be affected, so please ensure dogs do not access the water.

### Thank you!

Thank you for paying parkland entry. This money helps Cheshire East Council look after this magnificent place today, and sustain it for tomorrow.

## Our NEW wonderful walking trails for 2025...

### Ranger's Nature Trail

Follow a 1 hour walk to the Old Hall and back again. It offers easy walking on level ground and is suitable for families with older children. There's an additional 30-minute loop round Melchett Mere. Nature Trail Booklet available from the Gift Shop for 50p.

### Dairy Wood Way with the Billie the Beetle Trail

This short, circular woodland walk starts opposite the main car park and is perfect for mini explorers to learn about Billie and her forest friends.

### Beech Avenue Conservation Trail

This 1.5-mile trail runs alongside ancient beech trees planted in 1739. Learn about historical, wildlife and landscape features as you walk.

### Field to Fork Trail

This 3-mile circular walk starts at the front of the mansion. On your journey we'll show you how food has been sourced from the parkland over the years and how important the parkland is for a sustainable future.

### Millennium Wood

Millennium Wood is a beautiful, protected area of parkland where over 30 indigenous trees have been planted. This short loop trail will teach you all about the species planted and their impact on the ecosystem.

## Inspirational places you'll love...

From nature walks to rare-breed animals, seasonal events and exhibitions, there is something to suit every passion at Tatton Park.
